Instructions concerning my funeral

page 1

If I am still living in Plainview, Texas:

Have the funeral services in the Eleventh & Amarillo Streets Church of Christ, using singers of the church.

I request that one of the elders conduct the Memorial Part of the service.

These are the songs to be sung:

#355 "Heaven Holds All To Me" in Sacred Selections for the Church

#352 Won't It Be Wonderful There ✓

#357 How Beautiful Heaven Must Be ✓

#441 Meet Me There ✓

#494 Safe In The Arms of Jesus ✓

Unless it is impossible, please do not wait three or four days to have the funeral services. That is such a strain on family and friends. After the service in Plainview, I request to be taken to the Oak Cemetery, Greenwood Ave., Ft. Smith, Ark., and be buried in the plot by the side of Odell White, my first husband and father of my children. There is a \$300 burial policy with Edwards Funeral Home, Ft. Smith, Ark. Pauline Bullock will have information. Use Wood-Dunning Funeral Home, Plainview, Texas.

There are two other burial plots which were intended for Herschel and Lenore at their death. These may be sold if neither of you want to use them. The deed to these lots is in the safety deposit box at Wells Fargo Bank, Plainview, Tex.

I have an insurance policy with a yearly dividend payment which is applied to policy increasing value. The initial value was \$1000 with double indemnity for accidental death.

Also, a policy with Combined American Insurance
